Sir,

With reference to Government Order No. 13060-75/L.B.212-13-2 dated 25th. June 1914 directing that the excess provision of Rs576/- made under " D.1. Conservancy and Sanitation (a) Establishment " in the District Fund Budget for 1914-15 on account of the proposed appointment of an additional Sanitary Inspector in the District should not be utilized without due sanction, I have the honour to state that out of ~~eight~~ seven Taluks ~~and including~~ the Sub Taluk of Alur in the District, only three Taluks viz., Arsikere, Chennarayapatna and Holenarasipur have qualified Sanitary Inspectors for attending to both Municipal and District Fund works including sanitary works in those Taluks. And besides these there is one qualified Sanitary Inspector employed solely for the Hassan Town Municipality, and another employed in the Manjarabad Taluk for the Marnahalli Frontier observation duty.

2. At present, one Work Inspector has to attend to the Municipal and Local Fund Works of Manjarabad and Belur Taluks and it is found that he cannot cope with the increasing work, particularly because much of his time is taken up in travelling from one Taluk to the other. Hence it was proposed to restrict the duties of the Work Inspector to the Manjarabd Taluk and to appoint a duly qualified Sanitary Inspector exclusively for the

Belur

Belur Town and Taluk. Consequently provision was made in the District Fund Budget for 1914-15 to meet the cost of the pay and allowance of an additional Sanitary In-spector at Rs 30/- plus 10/- per mensem.

3. Under the above circumstances, I request that you will be so good as to obtain sanction of Government to the entertainment of a duly qualified Sanitary Inspector for the town and Taluk of Belur.

I have the honour to be,

Sir,

Your most obedient servant,

President, District Board,

Hassan.

Sir

With reference to your docket No. 2316/
L.B. 128-14-3 dated 2nd September 1914 enquiring
whether the Municipal Board of Bêlur are
agreeable to their quota of charge for the
entertainment of a Sanitary Inspector for
the Bêlur Town and Taluk in accordance
with Government order No 5990-9/L.B 494-06-3
dated 21st December 1907 and calling for
a

a resolution of the Municipal Board in the matter, I have the honour to submit herewith, a copy of the Municipal Board's resolution, dated 12th September 1914, from which it may be observed that the Municipal Board of Bélur while recognising the necessity for a Sanitary Inspector are of opinion that, considering the poor financial condition of the municipality, Government may be pleased to kindly reduce the quota of cost payable by them.

2. It may be mentioned here that in view of the fact that the financial conditions of the several municipalities in this district, are not such as to meet the cost of full pay and allowances of a Sanitary Inspector, it has been arranged to appoint only one fully qualified Sanitary Inspector for both the town and Taluk

concerned

concerned so that the quota of cost payable by the Municipalities may be only half as prescribed in Government Order No. 5990-9/L-03.494-06-2 dated 21st December 1907 the other half being debited to District Funds.

3. Under the above circumstances, I request that you will be so good as to obtain Sanction of Government to the entertainment of a duly qualified Sanitary Inspector for the Town and Taluk of Bêlur, the cost being met from the provision of Rs. 7008/- made under "D I (a) Establishment" in the District Fund Budget for 1914-15.
